SNAP Supports the American Nurses Foundation's Coronavirus Response Fund - Coming to the Aid of America's Nurses

As many of you know, Dr. Robert Piemonte, former Executive Director of the NSNA, succumbed to the coronavirus on April 21, 2020. Dr. Bob, as he was lovingly called, was a long-time supporter and leader of nursing organizations, and especially nursing students! The SNAP Board thought that having a campaign to support the ANF Coronavirus Response would be an excellent way to honor both Dr. Bob and also all registered nurses on the frontline.

We are asking for all SNAP chapters, members, and faculty advisers to consider donating to this worthy cause. The ANF Coronavirus Response fund will focus on:

- **Providing direct assistance to nurses;**
- **Ensuring that nurses everywhere have access to the latest science-based information to protect**

themselves, prevent infection, and care for those in need;
- Supporting the well-being and resiliency of nurses - today and in the future; and
- Driving the national advocacy focused on nurses and patients.

SNAP has a unique website that will collect the names (please add your school, if possible) of those who contribute to the ANF Coronavirus Response Fund. The Board hopes to recognize those chapters who contribute to the fund at our Annual Convention at Kalahari Resorts and Convention Center in November. There will be special recognition of the chapter who contributes the most money!

SNAP will match total donations up to $1,000, but we hope that everyone will continue to give! So let's get started and support our nursing colleagues on the frontline! Click the following link to donate now!

SNAP's THANK YOU TO FRONTLINE HEROES!

The SNAP Board of Director's created a video thanking all frontline heroes and distributed it to healthcare institutions to share with their staff. A special thank you to Ari Rubinson, SNAP Central Philadelphia Regional Coordinator, for putting the video together.
